Junaya Family Development Services presents a half day workshop on.....

The Importance of Early Secure Attachment & Bonding in Child Development - 0-5 years old

Presenter:

Lucia Vitali

B.Soc.Sci, B.A(Hons), M.A(Psychology), MAPS, MIACN (Cert)

Lucia Vitali is a Registered Psychologist and a Certified Neuropsychotherapy Practitioner.

She has over 20 years' experience working with:

- ▶ individuals of all ages,
- ▶ couples and
- ▶ families

Apart from her therapeutic work, Lucia lectures extensively in the areas of Attachment Theory (AT), Neurobiology of Attachment, Trauma and Brain Development and disruptive outcomes of relational trauma.

This **free** three hour seminar will focus on these Topics:

- ▶ What is Attachment?
- ▶ What do secure and insecure attachment mean?
- ▶ Disrupted parenting patterns: potential causes for attachment disruption
- ▶ Erik Erikson's psychosocial stages of development
- ▶ The move from the individual to a family as a secure base for children
- ▶ Early warning signs & symptoms that your child may be struggling in their attachments
- ▶ Tips and strategies for effective parenting: keeping Attachment in mind.

WHEN: Tues 20 June 2017 | 10am-1:30pm
